

## Arkansas Society Sons of the American Revolution

### Chapter Excellence Award

The form for this program is located on the Arkansas Society of SAR web site. There are 6 areas where points may be earned, ( Membership, Member Participation, Publicity, Contest and Awards, Displays, and Programs).

The first column on the form indicates the maximum number of points available for each activity and the total points for each of the 6 areas.

The second column on the form is where you record the points earned by your chapter for each activity your chapter participated in during the calendar year.

The third column describes each activity available and indicates the number of points awarded for it.

Using the first row of Area 1 Membership as an example of how to complete the form. You may not receive more than 1000 points and you earn 100 points for each new SAR member. If you sign up 7 new members during the calendar year, you would fill in 700 in column 2.

It is recommended that you include in your quarterly report information showing all areas where points have been earned. Your quarterly reports can thus be used to verify points shown for the Chapter Excellence Award.

Your completed form should be emailed or snail mailed to the AR-SSAR Reviewer by January 15<sup>th</sup> of the following reporting year.

The 2020 AR-SSAR Reviewer is Charles McLemore. Email address is: [pcmcmountain@yahoo.com](mailto:pcmcmountain@yahoo.com). Mailing address: 6097 HWY 270 East, Mt. Ida, Arkansas 71957.
